### Emergency Weather Information

Local Authority guidelines state:

- schools are expected to stay open unless there really is no sensible option but to close
- travel to work/school is regarded by both the Police and the Council's Highways Management as an essential journey, and every effort should be made to get to work/school unless it is known that the school has been closed or you consider it unsafe to do so

We will endeavour to keep the school open but in the event of a potential closure you are advised to listen to any of the local stations that serve Shropshire or look at the Council's website at [shropshire.gov.uk/school-closures](http://shropshire.gov.uk/school-closures).

Please be aware that the pathways into school can be very slippery especially the red-brick edging blocks. We will clear a route into school and grit where we can, but as this is often done by Mrs Cull when she arrives at school, those coming to Early Drop-off need to be especially vigilant!
