Congratulations - keep up the hard work!

Science Workshops

The science workshops will not be going ahead due to a lack of demand. We are sorry to disappoint those children who were interested but the workshop providers needed a minimum number in order to make it financially viable to take place.

Red Nose Day - Friday 13th March

We are having a non-uniform day and cake sale to raise money for Comic Relief this year. If your child would like to come to school in non-uniform there is a donation of £1. Cakes will be on sale either inside or outside Class 3 depending on the weather - any donations greatly appreciated. If you child would like to raise additional funds they may like to get sponsored to come to school with their face painted to make people laugh.

World Book Day - Thursday 5th March 2015

A wonderful day was had by all. The children all looked fantastic in their costumes and we awarded some well-earned prizes. Throughout the day the children participated in various book related activities. In Class 1 there was a Frozen topic, children were joined by Pre-school and were visited by Olaf, the snowman character, they carried out science investigations, learnt songs and told stories related to their icy theme. In Class 2 children had opportunities to share their favourite stories and characters, they learnt a traditional Polish tale, created comic strips and wanted posters for the dragon, looked at e-books and completed measures tasks in maths related to size of books and shelving required. In Class 3 children wrote book reviews, sharing their thoughts on a variety of different story genres.
