

Woore Primary School Newsletter

Summer Term

Friday 17th April

Aim high ... because everything is possible!

This term we have begun a new initiative in school called 'The 6Rs'. We are very excited to begin this whole school project which links very closely to learning and behaviour. Further information on this can be found later in the newsletter. A meeting for parents has been arranged for **Tuesday 5th May** at 3.10pm and it is anticipated that this will last approximately 30 minutes. Please complete the slip at the end of the newsletter to confirm your attendance.

Absence in Term Time

I would just like to remind parents that headteachers are only allowed to authorise any leave of absence which is felt to be an exceptional circumstance and that the family holiday would not be deemed as an exceptional circumstance. Applications must be made in advance and forms are available in the reception area.

Forest Schools

As the weather is warming up it is still necessary for children to have their arms and legs covered at forest schools to prevent scratches and stings etc. Waterproofs are still required to protect children's clothing. Please ensure all items of clothing are **named**.

When asking the children what they wanted to find out about the new seaside topic, George asked:

"Why does the sea taste so salty?"

This Week's Learning Quote

Clubs

Could parents please ensure all permission slips for the following clubs are all returned prior to the session.

Thursday KS2 Rounders/Tennis club 3-4pm

Friday KS1 Ball Sports club 3-4pm

Starlight Clothing Collection-Thurs 14th May

Brightening the lives of seriously and terminally ill children

Having a clear out?

Starlight need your help to collect any unwanted clothes. School will also receive funding which will be determined from the weight of bags collected. Collection bags will be sent home with your children.

All unwanted shoes– Please place in recycling bin in the reception area (collection soon!)

P.E Kits

Please ensure P.E kits are kept in school **all week** as times to P.E lessons may vary depending upon weather and other events in school. **Please ensure all items of clothing are named.**

Archery Club –Friday 24th April

Unfortunately the archery leader Mr Kershaw-Young will be unable to run the club on this date but will carry the session over to the first week after half term.

Rounders League

Shortly our rounders team will begin their weekly league against local primary schools. The Thursday after school club will help to prepare the team for competition alongside P.E lessons. Letters to those in the team will be sent out shortly.

Introducing the 6Rs at Woore

Throughout school this term we will be introducing the 6Rs which will help children to talk about their learning and to know how to behave. We will talk about them in lessons and assemblies on a daily basis. We will cover one of the 6Rs per half term and this will be communicated to parents through regular newsletters. If you can use these same words at home, you will help your child to understand them and will show that home and school are working together as a team. The 6Rs are listed below along with a brief description. For the **first half of summer term** we will be covering **Responsibility**. Certificates will be given to two children in each class on a weekly basis if they have openly demonstrated 'Responsibility'. Certificates will be presented in our achievement assemblies each Friday and pupil's names will be printed in the weekly newsletter.

Responsibility Behaving sensibly, caring for surroundings and other people, following rules.

Home examples: "Well done for tidying up your toys! That was very responsible of you!"

"That was kind of you to share with your little brother. How responsible you are!"

Resilience Being able to cope when things go wrong, putting a brave face on things, trying again.

Home examples: "Don't give up! Keep trying and it will get easier! Be resilient!"

"Aren't you brave, not making a fuss when you fell over just then! How resilient you are!"

Reasoning Thinking things through, making logical decisions

Home examples: "Are you really going to eat ALL of those sweets? Do you think that's a good idea? Why do you think that? Well done for good reasoning!"

"You've asked me why I am doing this. Why do YOU think? Try to think of the reason."

Reflection Thinking carefully about other people's feelings, or about what would happen if... or what could have been done differently.

Home examples: "I know you want to play with that, but look how sad your little sister is. Can you be really reflective and share this time?"

"How do you think she feels now that you have hit her? What should you have done instead? Well done, that is kinder and more reflective."

"Oh dear, you feel sick after all of those sweets. What do you think you should have done instead? Let's remember this next time and be reflective."

Resourcefulness Finding new solutions to problems, making own decisions

Home examples: "Oh dear, is a piece missing? What can we do to sort that? Let's think of a new way to play with it, and be resourceful."

"I know that you wanted to play in the garden with your friend but it is pouring with rain. What games could you both play inside instead? That is being really resourceful."

Respect Listening to and learning from other people with politeness, following rules and caring for people and property.

Home examples: "Thank you for doing what I asked straight away. That is showing really good respect."

"Be sure to look after that new toy because we don't want it to get broken. We need to treat it with respect."

Allergen Information for Parents

If your child suffers from a food allergy or intolerance, please contact your schools Catering Manager or Cook who will be happy to discuss menu choices with you.

We have developed a easy to use matrix which covers the 14 most common allergens, a copy of this is available on the Shire Services web-site <http://www.shropshire.gov.uk/shire-services/> or the schools website.

The information on this allergen matrix is based on recipe information and supplier specifications. We review and republish the allergen data available to us regularly but the circumstances in which a product is made, packaged, stored and distributed may change without our knowledge.

Cross – Contamination

Within our kitchens we handle food products containing fish, egg, molluscs, milk, and cereals containing gluten, celery, soya, mustard, sulphites, lupin and derivatives of these allergens. It is impossible to fully guarantee separation of these allergens at all times from other ingredients in storage, preparation or cooking. All dishes are prepared in areas where allergens are present therefore there is a risk that ingredients used in the meals may have accidentally come into contact with an undeclared allergen at any point in time, leading to cross-contamination.

Cooking equipment (e.g. fryers, grills etc) and food preparation areas may be shared and fried items containing different allergens may be cooked in the same frying oil. Please discuss this further with the Schools Catering Manager or Cook if you would like further information on our cooking methods.

As part of the new legislation on The Provision of Food Information to Consumers, Regulation EU 1169/2011, we will only highlight allergenic ingredients if they are intentionally added to a product.

Further Questions

If you have any further questions with regards to food allergies in school dinners please speak to the Schools Catering Manager or Cook who will be happy to help.

Diary Dates

Monday April 27th-Police Parent Workshop 3-3.30pm

Monday April 27th-Rounders Match v Stoke on Tern 3.45/4.00 (home)

Monday 4th May-Bank Holiday
