## Congratulations to the rounders team!

### POLICE VISIT

The children enjoyed a visit from the police on Monday where they learnt more about safety, e-safety and stranger danger.

### PUMPKIN ASSEMBLY

Our visitor from the Dorothy Clive Garden talked to the children about the upcoming competition and the forthcoming events at the gardens. The children are excited about their pumpkin growing.

### REMINDER

## Newsletter by email

As a school we are rethinking how we can go green by reducing the amount of paper we use. We would like to send the weekly newsletter out by email to each family. Could you please complete the form attached to confirm if you are happy to go green or if you would still like to receive a paper copy of the newsletter.

During Forest Schools, Class 3 have been making iron age paintbrushes and tools and working very hard to practice their tying and knotting skills. Much enjoyment was had by all!

We are pleased that children are thinking very carefully about our 'Responsibility' theme and are thinking carefully in advance of their actions.

## Woore Primary school vs. Stoke-on-Tern

The time was 3.45 and we were going through our tactics, during this, we chose our captain, who was Richard Arnold. When Stoke-on-Tern arrived they looked ready to play, but before we could do so we went through the rules. This took about five minutes allowing time for the home crowd to arrive.

We had finished the talk about the rules, and got the captains up from both teams to do a toss up to see which position we would play first. We won the toss up and our captain Richard said that he wanted to bat first that meant Stoke on Tern were fielding.

For the first inning, we did really well, Sammy, Josh and Finn got a rounder each but as the opposite teams bowler kept giving NO BALLS away, Alice received a rounder which gave us all a great start. For the second innings, we were fielding really well, we got quite a lot of people out as Nikki and Richard were working together really well as a team. As a result of this, we stopped lots of rounder's being won. At half time, we were winning 5-2 to us which made us happier but in the last two innings, our great skills continued as we won 14 ½ -3 ½ . We remembered there's no I in TEAM!

## **WOORE TENNIS CLUB**

### **DAWN TO DUSK FUNDRAISING TENNIS DAY MAY 16**

**SPONSORED BY FOLLWELLS**

[www.follwells.co.uk](http://www.follwells.co.uk)

The aim of the day is to have a tennis marathon from dawn to dusk (6 a.m. to 9 p.m on May 16). Entrants pay £10 per person and £5 for under 16s to play for one hour starting on the hour (you can play for as long as you like!) and this will also include a sausage bap, drinks and cakes. Any age can enter. We would like this to be a social event and spectators and children are very welcome to come and go as they please. Weather permitting we shall have table tennis outside and croquet. There will be a small charge for food and drinks for non players.

Please email us to enter and reserve the hour time slot(s) you would prefer giving two choices and giving the names of people with whom you would wish to play. We will try and find you partners/opponents if needed. Ideally the court will have four players for each slot (or more than four!). Times will be allocated on first come first served basis and we will confirm your time or offer you an alternative. Definitely extra sausages for those booking the early slots! Following confirmation we would like you to send your payment which once received books your slot. It is open to members and non members alike.

There will be a prize for the combined ages of the youngest and oldest foursomes. Please reveal your CORRECT age when applying!

Hopefully we shall have another successful and fun fundraising event for Woore Tennis Club for the new courts! Thanks of course must go to Follwells for kindly sponsoring this event.
