

Woore Primary School Newsletter

Summer Term

Friday 15th May

Aim high ... because everything is possible!

Class arrangements for next week

As Mrs Ward will be attending the Yr5/6 residential visit to Arthog from Monday to Wednesday next week, Yr 2/3 will be joining Yr 4 in class 3 for these days and will be taught by Mrs Killaspy. Children will enter and leave school through the class 3 door.

Going Green Newsletters

After the half term holiday we will be sending out the school newsletter by email each Friday unless you have already stated that you wish for a paper version. The newsletter will also be placed on the school website each Friday for you to view.

If you haven't informed us of your preference to receive the letter in paper format you will need to contact the office.

Rounders Result!!

We had a very pleasing rounders result on Wednesday evening against Moreton Say. It was a very exciting and competitive match with an end result of 12 and a half to 8 and a half.

After being asked if it is impossible to learn some things in life, Nikki replied:

No, because if we aim high, everything is possible!

Nikki

This Week's Learning Quote

FA Cup Celebration Menu

On Thursday 22nd May Mrs Underwood will be cooking a special meal which will comprise of the following:

Pizza (Cheese or pepperoni) or Meatballs

Woore Primary School Vs. Moreton Say

On Wednesday the thirteenth of May, Woore rounders team competed in a match against Moreton Say. Before the opposite team arrived, we were talking about our tactics and deciding what we would play first if we won the toss up. Moreton Say had just arrived when our team captain (Richard Arnold) had made his final decision. We started to walk up to the other team when our coach arrived. When we were all there, Mrs Ward did the coin toss and for the second time in a row, we won it. Richard chose to field first so we got into our positions and were ready to win. The first batter on the opposite team was a great player so our fielder (Finn) had to run, and fast. In the end, he only got half a rounder which meant we were doing well as a team. After the first innings was over, the other team had three and a half rounders' so we had to beat that score to give us a head start. The second innings went quite quick and we all hit the ball far enough to get rounder's or halves. As a result, we ended up with five and a half rounders which we were proud about.

When it was time to field again we did twice as well as we did in the first innings. Tom and Richard were working well together and got a few people out; Maddie also made a brilliant catch which was hit by one of the best away team's player. When time was up we swapped positions and Finn was first to bat. As he was an outstanding player he got us a rounder which made us confident. Josh was next; he hit the ball quiet far but because of Moreton Say's good fielding he only got half a rounder. After this we got another great shot by Nikki and she scored a rounder. When the eight minutes were over we all re-joined together to collect the scores. Our teacher announced that the opposite team had eight and a half rounders and we had a whooping twelve and a half rounders. We were so happy and felt confident that we could win the tournament.
