Parental Transport Arrangements

Due to the high number of sports events and competitions that the children have been taking part in, we have required the support of parents for help with transporting children to and from the events. If you have supported in this way or may do in the future, ***could you please read the following statement and sign and return to school along with proof of driver's licence and insurance documents.***

I understand that when I transport children to and from school events that I am responsible for their safety during the journey. I will ensure that each child has been fastened with a seat belt prior to driving. I will ensure that if children require a booster seat that this is fitted into the car by myself. I will ensure that children do not leave the car without my permission.
