Safer Schools Award

As part of our application for a safer schools award we will be sending a questionnaire home next week. We would appreciate your help by completing the questionnaire regarding safety in and around school.

School Website APP

It is now possible to download the school website app onto your apple or android device. This will enable you to easily keep up to date with school news and events. It is available through itunes/playstore if you search for 'School Spider'.

As you may have noticed on our letterhead and website, we have now achieved the 'School Games' *Silver Award*. We are very proud of this and our children who have helped to achieve this. Please view our School Sports report and questionnaire results on the school website.

Well Done to All!

This is school, we're here to learn aren't we?

On Thursday 1st October we will be holding a Macmillan coffee afternoon at 2pm. The children will be serving tea/coffee/juice and cakes for parents and friends. There will be a small charge for refreshments and all proceeds will go to Macmillan Cancer Support. The children will also be holding a few additional side activities on the afternoon, such as 'Spot the Cake' and 'Baked or Faked'. We will also be holding a cake auction. In order for this event to be successful we will require donations of cakes for refreshments and for the cake auction. Could you please return the slip below if you intend to provide cakes. **Thank you!**

Don't forget individual school photos on Monday!!

I hope all your children are settling into school well and are now used to new routines. If you would like to speak to your child's teacher at any time please make a mutually agreeable appointment. If you would like to discuss any matters with myself, please come and see me to arrange.
