Autumn Term 2015

Friday 6th November

Aim high ... because everything is possible!

Alice in Wonderland

Just a reminder-pupils will be attending the Alice in Wonderland film on Monday morning (9th Nov). Pupils will return in time for lunch and pupils in Y2-6 will still attend swimming during the afternoon. Please complete consent slips and contributions if you have not yet done so. Please could pupils bring along their water bottles to take with them.

This terms' 6R theme is resilience. Pupils will learn how to show resilience in all that they do. They will be encouraged to persevere and keep trying to achieve their goals or overcome the things that they find difficult even when barriers seem to be in the way.

We will be sharing pupil's successes as usual through our weekly 6R certificate.

Don't forget to buy your hamper raffle tickets for the hamper of your choice. All hampers are displayed in the reception area.

Talking about fireworks.

I like the twirly, whirly, whooshy ones!

Alex

This Week's Learning Quote

Parent's Evening

Your child has been given your appointment slot for parent's evening on Tuesday 10th November. Please look out for it in your child's bag to ensure a smooth running evening. There will also be the opportunity to look at your child's books which will be left outside the classrooms to view. If you wish to speak to myself regarding the progress of your child, please don't hesitate to book an appointment.

Mrs Ward

Hi-5 Netball/ Basketball

On Tuesday our netball and basketball teams will be playing matches against local schools at Maurice Chandler. We wish our teams all the best for some successful games and good sporting attitude!

Having a clear out in preparation for Christmas?

We will be happy to receive any donations of books for KS2, fiction or non-fiction to supplement our class library areas. We are also looking for games for pupils to play at wet break times for all pupils. Please bring them into school anytime and we will make good use of them. Thank you!

Mrs Underwood is looking for donations of children's wellies for her outdoor area fence. They can be odd and be in any condition as they will not be worn by pupils. Please hand them directly to a member of staff in class 1.

Thursday KS2 Sports Club

Please can all pupils attending the KS2 sports club after school on Thursdays complete the permission slip from the last newsletter and make payment. Your child will not be permitted to attend the next session if slips and payment have not been handed in to the office in advance.

Thank you for your cooperation.

Alice

We would like to say goodbye to Mr Walker today who will be leaving us to work within a local school as of next Monday. This has been a very sudden decision and we all wish him all the best for the future.

Rural Action Day-Woore Village Hall 14.11.15

The upcoming Rural Action Day is the first event of its kind in North Shropshire and is to be staged in Woore village on Saturday 14th November 2015 between 10am and 4.30pm in the village hall and the village itself.

The day hopes to bring together a range of partners to raise awareness of crime issues, especially rural crime, buying stolen goods, security marking and scams. Plus, other partners are also coming to talk to the community about other issues such as housing, highways, dog fouling, anti social behaviour and Smartwater. We'll also have the Safer Roads Partnership carrying out speed enforcement on the day, the SNT will be out patrolling the village and carrying out an environmental audit of Woore. We'll also have Trading Standards patrolling with us to visit vulnerable persons to make them aware of bogus callers.

In the hall, the partners will have stands and freebies to hand out and be available to talk about any issues people may have.

Please look out for fliers around the village, next weeks 'Advertiser' and Twitter.
