Autumn Term

Friday 9th September

Aim high ... because everything is possible!

Welcome
**BACK TO
SCHOOL**

We would like to welcome you all back to school after an enjoyable summer break and say a big hello to all the new reception pupils and those joining in other year groups. We are all looking forward to a very exciting term ahead with many special events planned already.

Open Meeting Date

On xxxxxx we will be holding an open meeting where parents, friends, family and community are invited to meet in the school hall. During the meeting we would like to share our vision for the school and discuss future projects both within school and the community. We like to develop greater links with the local community and discuss how we can help you and discuss how you can help us. Please come along and listen or take part in our discussion.

School Council

This week pupils have been busy nominating themselves and others for the school council election due to take place next Wednesday. Results will be announced in next Friday's assembly.

FOWS News

School Uniform: Sorry for the delay with some items of uniform this year. We hope to have all missing items delivered by the end of September. It appears that the suppliers have changed their sizing without notifying us. If your child's uniform is too large then please let Mrs. Shapiro Day or Mrs. James at reception know and further items can be ordered. Thank you for your patience.

Fete: Please keep your fingers crossed for a fine day on Saturday 17th September for the rescheduled Fete. We hope that you will all be able to honour the time slots for which you have previously volunteered. We still have a few slots available for which we would be grateful for help. We will be setting up gazebos on Friday afternoon and preparing from 9.30 am on Saturday. Any help would be much appreciated.

FOWS Committee: Our AGM is due to take place in October. We have a number of members who are due to be stepping down due to their children moving onto high school. Positions for chair, Treasurer and Committee members will be vacant. FOWS is a vital support for the school in raising funds for additional resources that the school funds does not cover.. Date of meeting to follow.
