### Sportsability Competition

On 11th November I went to the Sportsability Competition at the Shrewsbury Sports Village. I joined a team with Prees Primary and Prestfelde Primary School. The team worked very well together and encouraged each other– we never gave up! We took part in many activities including speed bounce, running and archery. I enjoyed all of the events but archery the most. In North Shropshire we came 2nd out of 5 teams and scored 77 points. Unfortunately, we were unable to go through to the Level 3 competition as part of our team was not from North Shropshire.

### Uni-hoc and Quicksticks Hockey Competitions-November

#### KS1 Uni-hoc team

On 17th November our team, Kian, Finley N, Maggie and I played in a hockey competition at Maurice Chandler Sports Centre. We got 4 points and I blocked the white ball so the other team couldn't score a goal. We all played as a team. **Written by Francesca**

#### KS2 Quicksticks Hockey team

The pupils who went to the hockey competition were Jess, Harry, Sammy and Fraser. They had the most fun that anyone had ever had. But it was not all good news for the team they won their first match drew their second match but unfortunately they lost their last match which meant they do not go through to the semi-finals or finals in the end they came third. Good try. Well Done to the Hockey Team !
