Discussion on the idea put forward by the WI about providing horse rides at the fete. This should be covered by our insurance. We would need to check if we would be able to fit it in along with the go-karts which will be on the grass too. Also would need further clarification on the proceeds – would the WI pay a set amount or would we share a % of proceeds made? All were positive about the idea but felt further discussion with the rest of FOWS was needed.

Big Breakfast at the weekend – FOWS will all try and attend. Thanks to the WI for sharing the profits with FOWS and Woore Primary & Nursery School!

Date of next meeting – Wednesday 10 April, 8pm, The Wheatsheaf
