

Woore Primary School Newsletter

Spring Term 2016

Friday 15th January

Aim high ... because everything is possible!

As mentioned previously, please ensure your child is provided with many layers of clothing for forest schools in these low temperatures. Suggested clothing would include: vest, long-sleeved top, jumper and hoodie/coat, waterproofs over the top, hats, scarves etc. Many waterproofs do not have enough warmth therefore your children will require an extra layer underneath.

This week we had to provide additional clothing for many pupils not correctly equipped. Thank you!

Music Tuition

We have had a very positive response for pupils wanting to have music lessons. I am currently organising the details for music teachers to work with us in school and will contact those interested when I have more specific information.

Please let the office know if you want to add your child's name to the list.

Stoke City Sports Day Roadshow

Children in Y1/2 had a fabulous time on Monday taking part in a variety of games. Children who showed particularly good skills and learning received prizes for their efforts which included match tickets, a t-shirt and a £5.00 voucher. Successful children were:

Francesca, Finley N, Ruby J, Finlay B, Lauren, George

A rectangle has two long sides and two short sides and a square has sides that are all the same length.

Elliott

This Week's Learning Quote

Any unwanted clothing, shoes and accessory items can be donated to the Starlight Charity which works with seriously and terminally ill children. Bags will be given out to your children today for you to return to school.

Please bring in your bag by Monday 1 February. The bags are weighed and the school also receives a donation. If you require further bags, please see the office.

The deadline for any interest in being a parent governor is next Friday 22nd January.

Please see Mrs Ward or Debbie Owen if you are interested in being a parent governor.

KS2 SATs Booster

Year 6 Pupils, remember to attend the Y6 SATs booster club each Wednesday lunch time and remember to keep practising at home.

On Thursday 21st January we will be receiving a visit from the NSPCC. Please refer to specific details in an additional newsletter sent out this week.

KS1 SATs (Y2)

The testing procedure has changed this year for Y2 pupils. There will be a greater emphasis on spelling, grammar and punctuation in addition to reading comprehension skills in English. The maths tests will comprise of an arithmetic test and a reasoning test. Future homework will try to support towards preparing your children for these tests.
