

Woore Primary and Nursery School

Our Vision

Our mission is to provide a caring, stable environment and academic excellence, while preparing our pupils for life long learning. Our goal is to enable every child to fulfil their potential and have opportunities to develop their own skills and interests. We encourage every child to be the best they can be and do the best they can do. Our school motto is “Aim high because everything is possible!”.

Teaching and Learning

Ultimately our aim is to keep your children safe, following this we:

- Provide outstanding teachers to help nurture your children into being the best they can be
- Have an engaging curriculum which is broad and balanced
- Help your children develop their social and moral skills through our 6Rs
- Provide many opportunities to enhance the curriculum through sporting events, curriculum days/weeks, school visits and workshops
- Prepare your child well for their next stage in their education
- Enjoy making your children smile and look forward to their next day in school

Our Plans for the Coming Year

- To improve communication systems within and outside of school (email, dojos, EYFS)
 - To develop the website
 - To improve outcomes for learners
- To develop our nursery and ensure pupils are school ready
 - To build collaborations between local schools
 - To improve resources and learning environments
 - To develop the School Council
 - To create a new Parent Council
 - To develop liaisons within the community
 - Become more involved in charity work
- Develop social, moral, spiritual and cultural education for pupils
