7. Additional comments made with regard to safety on the school site:
  - An observation has been made that visitors are not observing the 'Keep to the Path' sign. It was suggested that a fence be installed between the fence and the car park.
  - The amount of cars on the car park are a concern at drop off and pick up times. A question of whether rules are being enforced was asked.

**With regards to these comments, messages continue to go out to parents/carers on 'keeping to the path' and parking on the school site. It is not always possible for a member of staff to man this each day and would ask if parents could politely adhere to the rules in place. At this current time, funds for a fence separating the path to the car park are not available.**
