Aim high ... because everything is possible!

2<sup>nd</sup> March 2020

Dear Parents,

As a result of the recent safer school parent questionnaire, I would like to inform you of the results which are listed overleaf. Thank you for taking the time to complete this to help the school to improve safety further.

There was one issue arising from the questionnaire, which continues to be a concern. This related to the safety of pupils on their walk from the Falcon carpark to school each morning. This has been a regular point of discussion at our governor Health and Safety meetings and we are currently in conversations with the HS2 group on the improvements that will be put in place should the traffic be increased.

Work will also commence shortly to replace the fencing on the school boundary at the back of the field to improve safety for the children.

We will continue to work towards improving the safety of our pupils at school and our work towards maintaining our safer schools award will make our school a safer place for your children. Please let me know at any time if there are any more safety issues which come to light.

Yours sincerely,

Mrs M Ward
