The Fete –

Helter skelter – Jess has found a company that do a helter skelter for £215 and another company which for slightly less can do a bouncy castle and a slide. Jess originally tried to book the bouncy castle and slide but they are being difficult. Team have decided which ever one comes back to Jess first she can decide which one to go with. If we go with the Helter skelter, we could contact Hazel Turner who we have used before for a smaller bouncy castle for the smaller children.

Raffle sponsors – Jess has gone through the business list and written a letter, one aimed at local and one for further afield business

Amend Letter to ask for a sponsorship or gift – **Jess to action**

Do a mail merge and send out on the new FOWS email account – **Hannah to action**

Banner – Eilisia could not find banners but will empty the shed and have another look on Thursday/Friday

Once banners have been found we need to get it amended and up ASAP

Stalls – 10 sold so far – another push to sell more

Agreed the cake competition may not be the best idea, maybe we could have a jubilee biscuit competition instead

We have found we do not have a maypole, so there will be a performance from the school dance club. Message to parents needs to be sent to let them know – **Eilisia to action**
